Registration Form
Dutch Research School of Theoretical Physics (DRSTP)

In order to register as PhD student with the DRSTP, you are required to fill out this form and send it to the DRSTP, science.secr.drstp@uu.nl.

Affiliation:

Family name:

First name:

Initials:

E-mail address:

Nationality:

Date of birth:

Name daily supervisor(s):

Name formal advisor/promotor(s):

Name independent counselor[1]:

Starting date of employment:

Theme[2]:

[1]: *A staff member (preferably of the DRSTP) who is not scientifically involved in the PhD project; who agrees to give counsel regarding the PhD progress if necessary.*

[2]*:Theme 1: Particle physics, cosmology, quantum gravity and string theory;*
Theme 2: Quantum matter, quantum information, soft condensed matter and biophysics

Research:
*(Please provide a title or short description (approx. **two or three sentences**) of your research in English.)*

PhD candidates are expected to attend the following DRSTP events:

- DRSTP PhD school - at least twice, preferably in the first two years of your employment.
- DRSTP Careeer Day (previously PhD Day) - an annual event organized by members of the PhD Student Council from DRSTP.
- 'Trends in Theory' symposium - organized every other year.

The DRSTP provides:

- PhD school: a week-long school covering interesting research directions in the Netherlands, which also provides the opportunity to socialize and network.
- DRSTP Career Day: a meeting highlighting career opportunities for MSc and PhD students with a theoretical physics background.
- Symposium Trends in Theory: a two-day conference for all theoretical physicists in the Netherlands on recent developments in theoretical physics
- The DRSTP website provides news and information about the DRSTP.
- Your local PhD Student Council member can personally tell you all there is to know about the Research School.
